

WSC 2012 Ballot - CAR and CAT Issues

Group Name: _____ GSR _____

All Ballots need to be turned in to your RCM at your March or April ASC to to the RD by **APRIL 2012**

Only completed ballots will be used. Be sure not to lose or damage these forms.

This ballot contains separate lines for each of the items to be addressed at the upcoming World Service Conference (WSC). The WSC uses a consensus based decision making (CBDM) process. In an effort to give our RD/ RDA team a gauge on the level of support (or lack of support) for each of these items, GSR's are asked to present to their members each of the items **two times**.

First - provide a simple yes/no response.

Second - indicate your Group's level of Interest from :

Strong Support to **Support** to **No Support** to **Strong Opposition** to **Don't Know**

Please include comments! Write on the back of your Group Ballot!

The final vote will be a Group tally and we hope that this method will give a clearer picture of the level of support, opposition, or apathy in the Region and will better prepare our RD/RDA to help the WSC address these items.

For Information: Allen 703-821-2680 RD@cprna.org, Leon RDA@cprna.org, Cheryl RDA2@cprna.org

World Board Resolutions:
