registration@branacampout.org

Online registration has been activated for the 38th Annual BRANA Campout -

Simplicity is the Key.

Online registration is \$50 per person (children are free). If you registered online last year, your contact information has been encrypted and saved, so you need only enter your email address.

IMPORTANT!

Natural Chimney's Campground Policy requires that we allow only 2 tents (or 1 camper/RV + 1 tent) and a maximum of 8 people per site.

Campout Planning Committee members will be monitoring adherence to this policy.

Please help us maintain our welcome at Natural Chimneys Campground so that we may continue celebrating recovery at this venue in the years to come.

SPEAKERS NEEDED

We are looking for speakers who carry a strong NA message and can share their experience, strength and hope on the 12 Steps, sponsorship, service work, their relationship with a Higher Power and the miracle of one addict helping another.

BRANA Campout does not pay travel expenses, lodging or in any way compensate any individual that speaks at our events. We feel that the message of recovery should be one that is given freely. We are consistent in that policy as it also pertains to speaker recordings, offering them as a free download on our site.
