## Opportunities to Serve!

<https://volunteer.na.org>

Although the NA World Convention does not actually start until **Thursday, 8/28**, there are opportunities to serve beginning Tuesday, 8/26 with Pre-Registration activities. The possibilities to serve and be a part of are endless until the end of the convention, **Sunday 9/1/24!**

Come help out with a marathon meeting, or registration, or the Coffee House, or be a line monitor, or...or... (you get the drift!). Become “a part of” the **38th World Convention of Narcotics Anonymous in Washington, DC** and not just a spectator!

Go to <https://volunteer.na.org> to get your WCNA 38 service on!

### About the Volunteer Opportunities Website

Setting up your Volunteer Opportunities account is easy but not necessary. The plus to setting up an account is that you only have to enter your information into the system once if you volunteer for more than one opportunity. To set up an account, go to <https://volunteer.na.org>. Create an account with your name, email, and a password.

Scroll through the opportunities, days, and times available. Select the one(s) you want and register. If an opportunity is full, see if you can select another time slot or be added to the Waitlist.

You have the ability to cancel should you change your mind or reschedule if necessary.

Email your friends the opportunity link so you can volunteer together!

You will receive an email confirming your selection and reminders closer to the event.

**NOTE:** Although you do not need to be registered for the convention when you go online to volunteer, you must be registered for the convention when you arrive to fulfill your commitment.
