

# Our First Regional CAR Workshop!

# Our Common Welfare

WHAT the heck is the CAR and why should I check this out?

The CAR is like a summary of the planning, motions and literature revisions that members have been working on for the last 3 years-that impact our fellowship . We need YOUR input and YOUR votes.

What else is happening with this CAR thing?

Your input is also needed on two of our issue discussion topics: Gender Neutral/Inclusive Language and DRT/MAT- Helping Members Take Root. Make your voice heard!
