Volume 2

**Message of NA:** "...that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live. Our message is hope and the promise of freedom."

**Primary Purpose:** "...to carry the message to the addict who still suffers..."

*Basic Text – 6<sup>th</sup> Ed.*

## STEP THREE

For all of us, the day came when there was no longer a choice; we had to use. Having given our will and lives to our addiction, in utter desperation, we looked for another way. In Narcotics Anonymous, we decide to turn our will and our lives over to the care of God as we understand Him. This is a giant step. We don't have to be religious; anyone can take this step. All that is required is willingness. All that is essential is that we open the door to a Power greater than ourselves.

*Basic Text pg. 25, 5<sup>th</sup> Edition*

### 3rd Step Prayer of Narcotics Anonymous

Many of us have said,  
"Take my will and my life  
Guide me in my recovery  
Show me how to live."

## THIRD TRADITION

Desire is our only requirement. Addiction does not discriminate. This tradition is to ensure that any addict, regardless of drugs used, race, religious beliefs, sex, sexual preference, or financial condition is free to practice the NA way of life. With "... a desire to stop using" as the only requirement for membership, one addict is never superior to another. All addicted persons are welcome and equal in obtaining the relief that they are seeking from their addiction; every addict can recover in this program on an equal basis. This tradition guarantees our freedom to recover.

# THE JOURNEY CONTINUES

**The Ties That Bind Us Together Women's Inspirational Steps and Traditions Meeting** was held at St. Martin's Catholic Church for the first time on February 14, 2026. Moving forward, this meeting will be held every Saturday at 12:00 noon for 90 minutes at the above mentioned location, 1908 North Capitol St. NW, Washington, DC.

At that first meeting, there were 7 women that came together to carry the message to the addict that still suffers. The message is hope and the promise is freedom.

## Congratulations to all of the WINNERS!!!
